PROJECT INFORMATION

Green Tea E-Commerce Website
This project is about an E-commerce Website where a user can do shoping with a seamless experience. A user can choose his choice. It's one of the major projects you can use for your personal use as well as to present in your college.

Body Gym
Gym website is where members will view your fitness class schedule, make a booking and find out what services you offer

Swastik Jewellers
Online Jewellery shop is basically used to find and buy the latest jewellery with different categories like gold silver and diamond. It is useful in the way that it makes an easier way to buy products online.
